When notices were served by the Sub Builder regarding the ~~not~~ receipts for the Revised Limited amount, to the parties from whom the amount was alleged to be due, the receipts were not produced at the time, but fabricated receipts were produced during the time of the hearing before the Asst. This Copy is with the file in the A.C. office and may be perused.

I agree to pay Rs 700/= every half the amount of Rs 1618-11-3 alleged to be misappropriated. ~~by~~ This Rs 700/= is in Cash, and the rest may be received from the Photos and ~~Copies~~ about 10% of the Title Villages referred to above, by paying only half the amount for my maintenance, the other half being withheld by Govt. Therefore I now pray that the Govt. may be pleased to ~~grant~~ confer the appointment on me, a legal Habitandar, instead of planting it free and without any remuneration to them.

If the ~~amount~~ misappropriation alleged to have commenced from the Dhatu year is true, the Inundation officers, year after year, would not have allowed the matter to lie over without striking the balance due from each individual. Why such a balance was not struck is a matter for the consideration of the Govt. The fabricated receipt produced during the ignorance of the parties, might have been the cause of the alleged misappropriation This is corroborated by the Amildar's Inji. If such a large amount had been misappropriated, it would have been let off without

I request that the Court may be pleased to consider these points. I will remit the amount as stated above. I pray that the Petition to which I am the Respondent, may be Conferred on me.

Dated, Camp Kolar, the 18th September 1894

To

The Secretary to the Government of Mysore,
Revenue and General Departments.

Sir,

With reference to your official memorandum No. Pet/756, dated the 18th December 1893, calling for a report as to whether Ramadas of Mulbagal was a party before the Deputy Commissioner to the Patéship of Mulbagal and whether the plea of minority put forward by him is of any avail to him now so as to interrupt the flow of limitation, I beg to state as follows:-

2. The said Ramadas' uncle was the Patel of Mulbagal. In 1889 he disappeared, having embezzled some Government money. He was therefore dismissed and one Pachaniya was appointed Patel. The said Ramadas, the nephew of the dismissed Patel, presented two petitions to the then Deputy Commissioner (marked A and B in the file) one in the month of May 1889 and the other in June 1889. Mr. Abdul Rahman Sahib, the then Deputy Commissioner issued an order, No. 32 dated 3.8.89 (marked C) on the former petition to the Amildar to the effect that the petitioner was not entitled to the office, as he was the son of the Shanbhog of the village.

3. The Amildar's report No. 66, dated the 5th September 1894

goes

goes to show that the date of birth of the said Rama Rao is the 25th December 1870. Thus, he was about 19 years of age, when he put forward his claim for the office in 1889.

4. The vernacular correspondence on the subject as also the petitions and their enclosures received with your memo under reply are herein enclosed.

I have the honor to be,

Sir,

Your most obedient Servant,

Deputy Commissioner,

MYSORE DEWAN'S OFFICE
PETITION DEPARTMENT
REG'D. NO. 15882
28-3-95

To

The Secretary
to Govt. & Revenue Departments
Mysore Government
Bangalore

The humble petition of Rama Rao, claimant of the Patailship, Bindiganavile Taluka on the order Reg. 3248-65-11-5 dated 6-10-93, most respectfully sheweth:-

That in the above endorsement the petitioner's claim is rejected as the limitation is barred. This seems to be against the justice & procedure; for in the 6th Section XI Chapter of the Mysore Land Revenue Code 92, it will be seen that by prescription after 12 years in lieu of the lessee in fact, the claim should be restored to the descendants of the deceased (Vide Proceedings Register Vol 3 Pg 3.) Besides in the proceedings passed in favr. Rama Rao the late Devan it is clearly stated & circulated to all the Cutcherry & the effect that in case of the person be liable to be dismissed from an office, the person name admitted in place of the person in default will have entitled to inherit any right of the hereditary. If any doubt concern of the enfeoffment should be limited to a certain period & the Patailship service ought to be handed over to the deceased of the dismissed (Vide order Reg 4 3 of 23rd May 1881 issued in accordance with the Devan's Proceedings Reg 927-34 17

That under the foregoing reasons, your petitioner has every right for Patailship as it is under 12 years since the deprivation ensued; in accordance with the your petitioner have agreed to redeem finally that is of the mortgaged money out of the 14 Rs 1/- assessed the time on many occasions, no head was paid to the prayers by passing final & just orders. Without going into details of his petitions, & bearing merely on the Commissioner's order stating that as the Limitation barred, his Appeal has been refused; your petitioner cannot be notified by such orders.

That the Defaulters property to the amount of the was forfeited, movable & immoveable properties be attached & sold by the Government. Forbearing all the arrears & your petitioner entered amount only for the which has become to the Government, he submitted above Petition to the Dewan's office. He requested first of all to the

2

of Conservancy and also has been representing now & then to the Police Authorities, it is nearly 3 years since your poor petitioner began & represented his grievances to the Govt. Since these 3 years, he regret to state that none of the higher Authorities took interest in his cause & sat in sovereign. On the other hand they were only pleased to pass different Orders in different ways. Your petitioner deems, they seem to be reluctant to accept the 1400/- which has become due to the Govt. Government. If the Late Lamented H. H. Krishna Rajendra Wodeyar Bahadur be alive, your petitioner & his family who are under his protection would not have been left unexplained. Alone your poor petitioner has been an orphan.

That for the last 3 years his case has not been properly dealt with. If justice cannot be had here, what can your poor petitioner do? For the Patailship of Kadarigere was restored recently to the claimant which had been granted to the heirs of the Kandeera Rao vide Govt. the claimant's paternal father having misappropriated the Government money had also suffered 3 years' Imprisonment. Now the "Patkar" has been restored to his deserved claimant. Whereas the petitioner's cause of action has not even terminated 5 years. Now then the limitation plea to be barred in his case. Also being the Revenue Regulation suit of Village Servants petitioner ~~thinks~~ that there existing limitation for such suits is left to your Honor's discretion

Last in conclusion he beg that your Gracious Honor kindly considering the above circumstances will be so good as to pass favorable order on the matter of his claim and grant to the Patailship of Kadarigere be restoring ~~the~~ Lands sustained to the Government & proper misappropriated amount by late Patkar by affix 5 Rupees stamp & thus restore the right of Patailship to the Petitioner

And for which act of kindness, he shall as in duty bound ever pray for your Honor's long life prosperity.

That as he has not sufficient required Stamps, he now ~~attached to affix the stamps~~ affixed the stamps only upon ~~our~~ petitioner's ~~signature~~

The Dy Com. to whom a report was called for stated that Petr. Council declined to grant
the petitioner's prayer remarking
that he was the son of the

and ascertained the complete
age to be 18. The petr appealed
to Court in 1897 against
the above order and this appeal
was rejected on the ground
that the petition was long
out of time, as he must
have been born in 1879 and not
therefore a minor in 1889.
His review appln was also
similarly rejected in 1899.
In the present appln, the
petr urges that he was
a minor in 1889, having
been born in 1874 and not
in 1870 and produces a
horoscope in support of
the allegation

Decision

It has already been
held twice that the appeal
is barred by time and

Govt declines to entertain it. Govt however note that the petrs claim preferred in 1889 has been rejected summarily although such claims are treated in a formal manner. The claim will now be inquired into according to the procedure laid down for formal inquiries and the case disposed of on its merits

Appeal No. 2 of 1901-02.

Petitioner	*versus*	Counter-petitioner
Rama Rao		Pachamiya.

Subject.

Second application for review of Government endorsement No. 3418-661—1116, dated 6th October 1898, rejecting as out of time the petitioner's appeal against the order of the Deputy Commissioner, Kolar District, appointing the counter-petitioner as patel of Mulbagal kasaba.

Facts of the Case.

Venkatrayappa who was appointed patel of Mulbagal in 1874, embezzled Government money and absconded in 1889. The petitioner who is the nephew (brother's son) of Venkatrayappa presented two petitions to the Deputy Commissioner, one on 2nd May 1889 and the other on 30th June 1889, promising to make good the amount embezzled by his uncle and praying for the registry of the pateli office in his name. The Deputy Commissioner declined to grant the petitioner's prayer, remarking that he was the son of the shanbhog of the place and appointed the counter-petitioner as patel. The petitioner appealed to Government in 1897 against the above order and this appeal was rejected on the ground that it was long out of time, as he was born in 1870 and was therefore a major in 1889. His review application was also similarly rejected in 1899. In the present application, the petitioner urges that he was a minor in 1889, having been born in 1874 and not in 1870 and produces a horoscope in support of the allegation.

Decision.

It has already been held twice that the appeal is barred by time. Government decline to re-entertain it. Government, however, note that the petitioner's claim preferred in 1889, has been rejected summarily although such claims are triable in a formal manner. The claim will now be enquired into according to the procedure laid down for formal enquiries and the case disposed of on its merits.

No. 441—P. F. 66-99, DATED BANGALORE, 19TH SEPTEMBER 1902.

Copy of the above is forwarded to the Deputy Commissioner, Kolar District, together with the records received with his letter No. C. 2567, dated 16th June 1902.
